

which visited Queensland last season did not lose a match. The results were as follows:—v. Queensland (First Test), N.S.W. won, 3—0; v. Brisbane, N.S.W. won, 4—0; v. Ipswich, a draw, 2—2; v. Queensland (Second Test), N.S.W. won, 5—2. Goals secured for N.S.W., 26; and against, 4. Queensland did not visit N.S.W. last year.

The Queensland junior team, we are pleased to record, showed that in Queensland there is plenty of good material amongst the younger players, the result of the tour being:—Queensland Juniors defeated Tenterfield 5—1; defeated N.S.W. (First Test), 2—1; defeated Metropolis, 2—1; beaten by Newcastle 6—0; and New South Wales 4—0. Goals scored for, 9; 13 scored against.

EASTS v BOORALEE ROVERS.

In above match at Centennial Park last Saturday, the game opened very fast, and some very hard tussles took place. Boors were first to open the scoring, but a speculator by Gray soon equalised. From a corner taken by Falkiner, of Easts, one of the visitors handled the ball inside the penalty area, and from the resultant free kick Thomas made no mistake in putting Easts in the lead. Fine play by Rafter who passed to Miller, then to Dickinson, resulted in the latter netting Easts' third goal. Easts thus gained another victory by 3 goals to 1. If the Rovers had paid more attention to the ball and less to the men opposing them they may have fared better than they did.

IBROX PARK.

This ground has been greatly improved this year. During the close season loads of soil were tipped on the ground, and levelled off, and by now the park is as good as any controlled by individual clubs. Visiting teams to Ibrox will find every convenience in the way of dressing accommodation, and showers. Being the home ground of Leichhardt and Bal. Scottish, it speaks well for both clubs who, during the summer months, have been hard at work preparing the ground for this year's football.

AN APOLOGY.

The publishers of "Soccer News" desire to tender an apology for the misstatement of last week in connection with the deferred matches of the M.S.F.A. These will be played on the morning of the 23rd June (the holiday), and not on the 9th June, as stated. The 6th round series have been set down for the afternoon of the 9th June.

NEW SECRETARY M.S.F.A.

At the Council meeting of the M.S.F.A., held on Monday last, at the Sports Club, Sydney, it was decided to declare vacant the office of Hon. Secretary of the Association, and later Mr. S. Stack was elected unanimously to the position. Mr. F. C. Packer was elected Hon. Treasurer in place of Mr. Stack, and Mr. S. Howard was elected to the vacancy on the Management Committee.

AN ANNOUNCEMENT.

Mr. S. Stack, Hon. Sec. of the M.S.F.A., is available by telephone (L 1918) between the hours of 9 a.m. and 5 p.m. Monday to Friday (inclusive). All correspondence for the Metropolitan Association should be addressed to the Sports Club, Sydney.

Arrangements are nearly complete for the sending of a junior team to Queensland. The team will probably leave here on Wednesday, August 13th, and return on the following Tuesday, the 19th, having played at Brisbane (Saturday), and either against Ipswich or Toowoomba on Monday, 18th August.

DID YOU KNOW THAT

The second Test match will take place next Saturday, the 14th June, in Sydney.

The Association applied to the N.S.W. Rugby League for permission to use the Sydney Cricket Ground No. 1, offering in lieu the Royal Agricultural Show Ground

The League refused to transfer and Soccerites are indignant. The Cricket Ground lease should be amended by legislative action to provide that international matches take precedence.

The Metropolitan Association have been treated very badly by the Wentworth Park trustees. It is quite on the cards that the trustees will make no move to roost the stand in the cheaper area, until after the close of the football season.

Soccer football is paying £700 for Wentworth Park this season; it is certainly not getting value for the money.

The balance sheet of the Wentworth Park trustees would make an interesting reading. What is the revenue received in the summer season, and what money is allocated to keep the ground in order for the cricketers.

Leichhardt Oval and Sydney Cricket Ground No. 2 are nice little grounds, and appreciated by the players. They do not belong to the Association, however, and are only on a yearly tenure.

The time is arriving when the Association will have to assist clubs to buy grounds in the different areas. It must not be left to the enthusiasts to do the work and provide the money.

A QUESTION OF TACTICS.

Wrong Criticism.

N.S.W. Council Corrects.

The following is a copy of a letter sent to the Editor of "The Referee" newspaper some time ago. The contents were acknowledged but not published in full, and it is now inserted in "Soccer News" by order of the N.S.W. Association Council:

Dear Sir,—

I have been directed by the Council of my Association to communicate with you regarding a certain paragraph that appeared in your paper in the issue of August 8th, following the first Chinese match in Sydney, which criticised the tactics of the New South Wales players in a certain incident in front of goals.

The paragraph objected to reads as follows:—"They dribble so fast that the defence was beaten, and George Cartwright carried the ball too far in front of the posts in trying to avoid a Chinese rush. New South Wales lined up on the goal line—about a foot off it, and all Li had to do was to tap it through off a defender. He did this, and put China two goals ahead. It did not occur to New South Wales to get away from goal and leave Cartwright there alone."

Mr. T. Crawford, President of the South Maitland Referees' Association, wrote to you regarding the matter on the 10th August pointing out that the criticism was bad, and not in accordance with the rules. A reply appeared under the initials of A.J.B. in the "Arrow" of the 31st August, contending that the first criticism was in order, and said finally that famous captains he had watched made a point of ordering their men out of goals in such circumstances. He further said, "In one case I saw the great Sutcliffe send them out because the captain failed to do so."

The rules regarding the matter are as follows:—"Law 10. Free kick: when a free kick has been awarded the kicker's opponent shall not approach within 10 yards of the ball until a kick is taken."

the ball a second time until it has been played by another player.

"Law 11: A goal cannot be scored direct from a free kick awarded for the following breaches of laws—(c) carrying by goalkeeper."

"A.J.B." said that the N.S.W. players were in error in standing on the goal line—we would point out that this is the only recognised way to defend such a free kick for the simple reason that if a goalkeeper is left to defend a goal by himself his nearest mate is ten yards from him, seeing that the law only gives the defenders the option of standing ten yards from the ball, or on the goal line. If A.J.B.'s advice was taken, an opposing skipper who knew the correct way to combat such tactics would depute two of his players to advance to where the ball was to be kicked. When the referee's signal was given one player would tap the ball to his mate sufficiently hard to make it describe its own circumference and, the player of the same side referred to, would have only the goalkeeper to beat in shooting for goal. The second player who played the ball would have to, by the way, observe the off-side rule in taking this kick, that is to say, he would have to be a little behind the player taking the free kick when he kicked the ball.

The action of the Association, I might say, in conclusion, is taken because your papers are regarded as authorities on all questions of sport, and it is desirable that where it comes before the notice of the governing body that criticism regarding the laws of the game is given in error, it should be corrected.

Trusting you will see your way clear to give publicity to this matter.

GARDINER CUP.

NEW LAMBTON v. WESTON AT TRAMWAY GROUND.

By Full-Back.

Notwithstanding the big League attraction a fair attendance was present to witness the meeting of the above teams in the first round of the Gardiner Cup. Mr. Beach Prattin had control of the fixture.

New Lambton were the first to attack, and Stewart, right wing for the Chatrocks, soon had Austin on his metal. Weston then took a hand, and Jordan was called upon to stop a hot one from McCroary. No score was the result of the first half-hour play. The game was full of excitement, and the first goal went to the credit of New Lambton. First Dan's shot was cleared by Austin then Boundy returned the ball only to be cleared by Oliver. The ball was kicked back again by Stewart, was practically cleared by Grant and Mathewson. Stewart again obtain possession and made no mistake with a splendid shot. Half-time arrived soon after with the scores—New Lambton 1, Weston nil.

Early in the second half Wiggin scored a great goal; Danny Morgan seemed to hesitate, and Harrey cut in, centred, and Wiggin did the rest. New Lambton now took control of the attack and bombarded Weston's goal. Davies kicked one high into the net, after Oliver had missed.

The same player again scored making the score 3 goals to 1 in favor of New Lambton. With only five minutes left to play, the game seemed "all over," but the unexpected happened. Tate took the ball down the left wing, centred, and McCroary got his head to it, and Jordan picked the ball out of the net. With only 1 minute left to play, Weston were still one goal behind, when McCroary from a good centre from the left wing got his foot to the ball and drove it hard into the net—a beau-

the light bad and stopped the game.

Weston, although behind until the last minute of the first 90 were unlucky in getting beaten by the bad light, and at the finish of the game were playing all over the "Chatrocks."

For New Lambton, Jordan, although he stopped some good shots, was not at his best. Neither back played up to his usual form. Sibley placed the ball well to his forwards. The best player however, for New Lambton, was Stewart, and his advance into rep honours is eagerly awaited.

For Weston, Austin played a wonderful game, and was never seen to better advantage. Oliver although good, did not play his usual safe game. The half back played fair, while McCroary was easily the best forward. Wiggin, Tate, Richardson and Aviably assisted. The game will be replayed at a later date.

MAYFIELD v. NEATH.

Mayfield registered their first win of the season by defeating Neath by 2 goals to 1. Tolhurst the ex-Merewether and Hamilton player, donned the jersey for Mayfield, and played a great game. The game was marred by an unfortunate accident to Drinkwater of Neath; he collided with Mayfield's full-back, Davidson, and fractured his leg; he was taken by the ambulance to Kurri Hospital. All Soccerites wish the injured player a speedy recovery.

KURRI v. WALLSEND.

Wallsend visited Kurri and repeated the performance of the first round by defeating Kurri 2 goals to 1. Davidson and Rees were the scorers for Wallsend, while Brown converted a penalty for Kurri.

Cessnock defeated Neath II. in the Gardiner Cup, first round, by 7 goals to 1.

The final whistle sounded soon after. Extra time was ordered, and McCroary put Weston in front. Midfield play followed, and the first dose of extra time ended with the scores—Weston 4, New Lambton 3. After turning round for the second 15 minutes of overtime, Referee Pratten declared

the light bad and stopped the game.

Weston, although behind until the last minute of the first 90, were unlucky in getting beaten by the bad light, and at the finish of the game were playing all over the "Chatrocks."

Cessnock defeated Neath II. in the Gardiner Cup, first round, by 7 goals to 1.

WEST WALLSEND v. ADAMS- TOWN.

This game on the former's ground drew a very large crowd. The gate being a record for the season. Adamstown were without A. Lambert, who is still nursing an injured ankle, and West Wall-

send were without M. Mauder who is resting his bad arm. Both players were present at the match. Adamstown started off very well and Coutts was called upon to defend his goal from G. Coates and J. Bush. Westy next had a turn and L. Brown following up a punt towards goal by H. Muir, cut in smartly between the goalie, Elgy and Stewart, and netted. A couple of minutes after he again beat Elgy with a splendid shot. Elgy came in for applause for a won- derful save from Bunny Muir's good shot near the post. Sinclair shone out in a clever piece of work a little later; his shot was going into goal, when Stewart in trying to clear helped it into the net. West Wallsend 3 to nil. Adamstown were awarded a penalty against James, and Beddows tak- ing the kick missed the goal by a couple of feet.

In the second half Adamstown tried hard to score, and E. Bush had a golden opportunity, but clean missed the ball with only J. Coutts to beat. Westy now held the upper hand, and Adamstown failed to add to their score.

For the winners, Jack Coutts was very safe, and cleared the at- tacks of Adamstown's forwards in first-class order.

Hen Mauder was the star de- fender, and repeatedly broke up the attack. The half back line Coolahan, C. Coutts and W. Smith defended well, and also set the forward line going in many pretty movements. The forwards all played well, and combined as for- wards should. Brown played his best game, and fed T. Coates remark- ably well. Sinclair and Mc- Lauchlan on the left led Bailey to a merry dance, and Di sent across some lovely centres. Bunny Muir at centre was having his first game in that possey, and did well.

Adamstown were at a distinct loss, being without Lambert, and the defence was disorganised. Elgy in goal had a lot of work to do, and did very well. His save from Muir's shot was brilliant. Stewart was not as good as usual. Bed- dows played well. Doyle played centre half and tried hard. He initiated many forward move- ments, but was not too sound in defence.

Harold Johns played left half and showed plainly that he is a forward, not a half back.

In the forward line G. Coates was the best, the others never

seemed to do anything right. T. Coates (Westy) and G. Coates (Adamstown) are cousins, and both play right wing. Another cousin, Jack Coates, plays right wing with West Wallsend, under 16's. Quite a family liking for the position.

West Wallsend Seniors are visiting Weston on June 9th, to play a benefit for the widow and family of the late W. (Bill) Lambert. Last season Adamstown gained 4 points from Westy in the two rounds of the senior comp. This season Westy have won both games. W. Kelly last season with West Wallsend under 18, took McNaughton's place in the Gardiner Cup match, Cessnock v Neath, at No. 2, at Weston, on Saturday. Nock Brennan and Lindsay Johnston, two of Westy's keen supporters, were present at the match on Saturday. Both were splendid left wings, and unfortunately each has lost a leg.

West Wallsend have appointed Ben Charlton and Jack Bainbridge trainers, and with these two good rubbers always available, no excuse can be given for players not fit.

Dick Sneddon, West Wallsend Senior's manager, has had a sad misfortune. His son, aged 3 years was kicked on the forehead today, Sunday, and has been admitted to hospital suffering from fractured skull.

son Cup game between Swansea and Cardiff. This will be followed by Adamstown v Neath at 1.30 and at 3.15 Wallsend meets Cessnock, the last-mentioned two matches being Gardner Cup games.

West Wallsend will visit New Lambton to-day, and the match has been set aside for the benefit of Johnny Parsons, who had been captain of the "Rocks" for the past two seasons, but through a motor accident has been forced to use first crutches, and now a walking stick to get about. He is an interested spectator now instead of a useful half. The Park has been closed, and it is hoped a record gate will be taken. New Lambton expect to keep up their unbeaten record, and will rely on most of last Saturday's team to preserve the issue, only two alterations, Spruce takes Wilson's place at outside left, and Tiger Lewis goes left half. West Wallsend will make few alterations to the team that defeated Adamstown. H. Muir is changed from centre forward to full back, taking Butcher James' possey, and George Ross goes in Muir's place, all other players being the same as the previous week.

Cessnock will be at home to Neath on Saturday, and on the Monday will play Wallsend in the second round of the Gardiner Cup at the Tramway Ground. After their easy win last Saturday they are confident of adding K.O. to the Wallsenders. The Reds however, will not hear of defeat and have selected the best eleven to defend them on Monday. Liddell will captain the Reds, and will be playing his last season's teammates. It should be a good game and the winner is very hard to pick.

To-day Adamstown will play their first game on the headquarters' ground, and will be opposed to Weston. They will rely on Alf Smith in goal, who has taken Brology Elgy's place in the sticks. Alf has been playing centre forward but has resumed his old position

Mayfield meet Kurri, and after their win against Neath last week are very confident of adding two more points to their table at the expense of Kurri. Kurri, however, will be all out to win, as every point counts, and a win will mean a lot to the Maitlanders.

On Monday, June 9th, Adamstown meets Neath in the Gardiner Cup. The game will commence at 1.30. Neath will be without the services of their useful forward, Drinkwater, but it is pleasing to know he is improving as well as can be expected.

Adamstown will field the same eleven, and should enter round No. 3.

KERR CUP.

Kerr Cup and Sherwin-Williams Cup entries close to-day. Secretaries are reminded of closing date. Entry fee, 10/-, to accompany application.

Only three regraded players allowed to play for Sherwin-Williams Cup, same three to play the whole competition.

FIRST TEST MATCH AT BRISBANE.

The non-inclusion of a player from Newcastle is causing a good deal of comment. Surely H. Maunders, who played such a good game against the Canadians, and E. Owen, who was awarded the medal for the best player, were worthy of consideration. Again, McNaughton, of Cessnock, and C. Williams, of the same team, should have received favorable consideration. REFEREES' ASSOCIATION.

The apathy shown by many members of the Sydney Referees' Association is certainly to be regretted. Out of a membership of over 50 we are unable to get 50 per cent. of the members to attend our bi-weekly meetings. These meetings should be regularly attended by all members so that they will be conversant in all decisions.

Points and laws of the game are discussed from both the players' and referees' point of view; these exchanges of ideas are very helpful even to the most experienced members.

Reports have come to hand that referees are not keeping up with their appointments; this is not in the interest of the game. Referees are requested to honor their appointments, and do credit to the Association of which they are members.

Referees' Association badges are now available, and can be obtained on application to the Secretary. Members without a badge should avail themselves of this opportunity, and so comply with the Association's rules in this direction.

The next meeting of Referees' Association will be held at Sydney Sports Club on Monday, 16th June, 1924. All members and intending members are requested to be present.

Club secretaries are notified that the Lecture Committee is at their disposal; applications should be made to the Hon. Secretary. Every effort will be made to meet the wish of clubs in this direction.

A bottle should be in every player's kit; it is invaluable for easing pain, reducing inflaming and stiffness of the muscles and joints. Use it both when training and after every game. Apply the liniment immediately after the shower, and rub it in all over the body, and it will greatly minimise the inconvenience and pains that are almost certain to arise from exertion.

DRAW FOR SATURDAY, 14th JUNE.

The Hon. Secretary announces that all matches have been suspended on Saturday, 14th June, on account of the second Test match against Canada.

St. Clements are following in the footsteps of our Canadian friends, and last Saturday registered their fourth successive draw. The match, against St. Aidans was a rather tame exhibition Lakemba Congs. A were unlucky to lose to the Mission, as was Ryde Meth. to St. Pauls, each team losing by the odd goal in three. Roberts Bros., Lidgard, and Watson were conspicuous in the former match, while Neilson, Naylor and Wilson were conspicuous at Hurststone Park, under Ref. Scott. If Neilson puts more energy into his feet and less into his tongue, he will improve out of sight. Naylor well deserves his place against Granville to-day.

If Lakemba can reproduce last week's form to-day, St. Clements are liable to bite the dust. If St. Aidans give another exhibition of corner kicking to-day as they did last week, well, they should sell out.

Botany Meth. A were too good for Holy Trinity by 3—1. The same advice is given to Neilson of St. Pauls, applies to Trinity, only more so. The 2-all draw between Alex. Congs. and Dul. Hill was a very fair result.

Holy Trinity and Alex. Congs. under Ref. Rev. Smith, should be an interesting game. Holy Trinity will probably be short of a few players, but still the Congs will need to move to win.

Thanks to Fivedock Meth. tossing Austens, All Souls are now leading their division. However, they themselves meet Austens on L'hardt Flat to-day, under Ref. Bydie, and it is quite on the cards that their possies may be reversed. A tie would appear to be the correct result. Croydon Congs. A and L'hardt Meth. provided a good fast game last week, an equitable result being obtained in

evenly matched, both Vines and Seddon notching goals. Alex. Mission B and Botany Meth. B will be about the best match to-day.

St. Bedes and Hurststone Park Meth. played a good game till the interval, after which the Drummoynes boys had it all their own way, to the tune of 4—1. Delprads and Blankly did some good work.

Wardell Road.

Teams are informed that the dressing rooms are to be used, and that players changing in the open will in future be penalised.

Language.

Players are reminded that referees will not warn them for language, but will order straight off the field, when they must appear on the following Tuesday. The more players sent off, the heavier will the penalties become. Language in the dressing room is just as serious.

P.C.R.A.

Mr. E. Cornish, of 2 Robert St. St. Peters, is the latest recruit. Secretary Scott would remind members of the usual monthly meeting to be held at 30 Rawson Chambers, City, on Wednesday 11th inst., at 8 p.m. As the fees for May have been paid, it is suggested that some members should pay their subs.

The St. George Soccer F.A. concluded its sixth round on Saturday. The biggest surprise was the defeat of Kogarah by Penshurst United by the odd goal, at the St. George Sports Ground Arncliffe defeated Cronulla at Arncliffe by 2 goals to 0. Hurstville, an improved team, defeated Rockdale at Dumbleton 3 to 1. St. George defeated Lancashire Society at Cook Park by 2 goals to 1, and Penshurst succeeded in defeating Brighton at Moorefield by 3 goals to 2.

ATHLETIC EVENTS.

evenly matched, both Vines and Seddon notching goals. Alex. Mission B and Botany Meth. B will be about the best match today.

St. Bedes and Hurlstone Park Meth. played a good game till the interval, after which the Drumnoye boys had it all their own way, to the tune of 4-1. Delorads and Blankly did some good work.

Wardell Road.

Teams are informed that the dressing rooms are to be used, and that players changing in the open will in future be penalised.

Language.

Players are reminded that referees will not warn them for language, but will order straight off the field, when they must appear on the following Tuesday. The more players sent off, the heavier will the penalties become. Language in the dressing room is just as serious.

Early Fixture.

By "Scrutator."

The clash of the two clubs on the Bankstown line was "nae wee cock fecht, but a muckle lang didley battle." United won by the odd goal of three, but Little fish are sweet.

United scored first, mid-way through the first half, J. Sarchfield dashing through and beating Little with a good shot. The play was fast and exciting, both sets of forwards combining well, and at times shooting well, though without meeting with success.

After the change of ends Bankstown looked like trouncing their opponents, but Cook failed to score from a range of 5 yards. United were given a penalty kick five minutes afterwards, Sarchfield giving Little no chance with a beautiful shot.

Bankstown played a consistent game, and at times Cook and Woods, the extreme wingmen, were brilliant. Bankstown were awarded a penalty kick, but failed to score. Soon afterwards a real chance came to Bankstown, as a centre by Woods presented Cook with a great opportunity, and making no mistake he drove the ball high into the net.

MISSSED CHANCES.

Metters, 2; Marrickville Avoca, 0.

Marrickville Avoca were handicapped by Heagney and Williams being on the injured list. Despite their disadvantages, Avoca did the bulk of the attacking, but so sound were the Metters backs that their goalie was rarely troubled. For a time Avoca's play pleased, for they were able to set up many attacks, but they never clinched matters. True they had some bad luck, but lack of method and understanding were chiefly their undoing.

Metters combined with the perfection of a well-oiled machine and at every opportunity they had a try for goal. It was only in the concluding 5 minutes that Metters scored their 2 goals. McCarthy beating Ogle all the way with a high shot, and Colvin with a penalty kick.

Ogle's Great Goalkeeping. The outstanding man on his side was Ogle, whose goalkeeping in the first half was wonderful and brought him rounds of applause from the crowd. A save early in the game was an amazing achievement, who, on this form stands right in the first flight of goalkeepers.

A GRADE.

The two unbeaten teams, Lilyfield and Easton Park, met at

79

were the better team practically throughout the game. Good combination was noticeable in the forward line, but their shooting was inclined to be weak in one or two cases. Urquhart and Robinson, as backs, were brilliant, and were well protected by Mitchell, Crum (centre half), and Colquhon. On the Park side, Martin and Johnson were very safe, and worked hard through the game. Wilson played well in goals. This win places Lilyfield two points in the lead.

B GRADE.

Leichhardt Juniors narrowly defeated Lilyfield at Canterbury by one to nil. The winners had to fight hard all the way in the second session to prevent a draw as the losers continually bombarded their goals, and were extremely unlucky in not netting at least a goal. Leichhardt's goalkeeper played a good game, and saved his side on many occasions.

St. Peters outclassed Bondi A at Canal Ground, and as a result still lead in the B Grade competition, with Leichhardt 1 point behind. Newtown defeated the "soap kings" by 2 to 1, after a very good game, in which the winners were fully extended throughout the game. Sunlight sadly need some shooting practice.

Banksmeadow, as to be expected after their previous game, defeated Bondi B by 8 to nil. This is Banksmeadow's first win. This competition is in a very interesting stage.

C GRADE DIVISION 1.

Rozelle Waratah and Lilyfield secured wins over Annandale Federals and Rozelle Fernleigh respectively, and as a result both teams are undefeated. Their meeting on the 21st at No. 1 Canterbury will be an excellent game, as both teams are playing at the top of their form.

There were slight changes in the positions of the division II. and division III., the leading teams again secured wins. Warren Iona are going well in division II., and Pyrmont are close on their heels. Division III. is apparently a duel between Punch Park and St. Peters.

THE SOCCER NEWS.

The Metropolitan Senior Association are to be congratulated in giving the juniors an early fixture on one of their best grounds, and the honor of playing in front of their 1st grade teams. It is great encouragement for juniors, and hope to see the offer further extended during the season. The appointment and conveniences are first-class at Leichhardt Oval, and are a credit to the Association.

I have always been led to believe that it was "Press" etiquette not to steal another paper's copy.

As a very respectable local reporter has stolen copy from the "News," guess I have been misinformed.

Why not be satisfied to let dead finals lie peacefully in the cold ashes of past experience.

The writer has never been opposed to the elimination of finals

We start again to-day to extract ourselves from the meshes of good intentions, but bad results.

Our District Juniors who defeated Metropolitan Juniors recently in the inter-Association Cup competition, having been declared seniors, and the match off, we have again to pick up the lost threads.

A very fine team has been selected to wear the black and white stripes at Clyde to-day, when we meet the Protestant Churches. We have little doubt as to the result.

Writing of P.C. takes me back to Booralee Park last Saturday. I happened to be out that way, and of course was attracted to the games. A good crowd stood by mostly on the field of play when a couple of the players went down so the mob went en masse to see the injuries. I sympathise with the referee and the players for having to play under those conditions.

Surely the spectators can learn to keep off the field.

Magpies win over Sydney last Saturday was received here with a good deal of pleasure.

We also congratulate "Blues" on their continued fine form, and draw with Rangers.

Auburn's unexpected win was the heading in one of the morning papers during the week.

The Auburn boys, like the Blues, are playing such a fine game that it should not surprise anyone when they do win.

We were pleased to see Billy Mace once more on the old ground at the Blues Magpie match.

I was afraid his excitement might cause a relapse, but learn he is none the worse.

I trust Bill will soon be recovered from his illness.

I regret an error in last week's report, wherein I stated that Au-

burn defeated United A 5—0. The result was reversed.

Please Deg, accept my apology.

Entries for the Cottam Memorial, Ainslie and Argus Cups knock-out competitions will close at the meeting to be held on Tuesday night.

To date six teams have entered for the Argus, four in the Cottam and six in the Ainslie. At least 10 more should enter.

The Juvenile results last Saturday were very close.

Lidcombe and United A 0—0.

Guildford and United B 0—0.

The exception was Parramatta

4. Auburn Juniors 0.

The Juniors' Auburn United B 9, and Lidcombe 3, was the only run away game.

Advance just managed to settle Auburn 3—2.

As the referee had a faulty ticker, and played for 110 minutes, this match has to be replayed.

Two Blues gave United A a hiding to the tune of 2—0.

In the All-Age Lidcombe put their claws still further into the premiership by defeating Advance 6—0.

English Electric also ran to 6 over Merrylands 0.

Kewpies once more got one over their old rivals, Auburn, and won a good game by the odd goal in 3. The only senior match played was Babcocks and Advance —B and W. won 4—1.

In the good boy division, the Thistles and St. Marks failed to score. Mission and Baptist not wishing to fall out also decided to make it a no-score draw.

Congs. A met their B's, and won 4—2.

The late match at Clyde was the Gardiner, Auburn Juniors and Granville East.

The Auburn boys did just as they liked, and stopped at 9—2. Easts are not down-hearted yet.

It has been decided to play a couple of deferred games off on Monday afternoon.

Lidcombe and Carlingford Juniors will meet at 1.30.

The seniors, Auburn and Lidcombe, at 3.15.

Both games should be worth seeing.

It has been decided to charge one shilling to all first grade matches at Clyde in future.

ing the Association a good deal of worry; efforts are to be made to secure the services of adults at all matches.

Babcocks have arranged to visit Goulburn and Harden on the 23rd.

Magpies social on the 16th promises to be a big success.

The Canadians are to be the guests of the evening.

Granville is sure to do the honors on this occasion.

JUNIOR BOARD OF CONTROL.

The organisation of the Board is now complete, and the delegates have settled down to business.

The affiliated associations are Metropolitan Juniors, Granville, Protestant Churches, St. George, Canterbury, and Ryde; the number of teams affiliated to these associations number 183. To give readers some idea of the progress of junior football, let it be stated that in 1919 there were only about 48.

The Board has been constituted for the purposes of further fostering the juniors, and the bringing together of all controlling associations in the form of this Board is the best step taken in our history, as it will in time bring about uniformity both in rules and management. The Board hears and finally determines all appeals from Junior Associations which in the past has been thrust upon an already overburdened body in the seniors; it keeps junior matters entirely within its own sphere. The first chairman of the Board and one of the prime movers in its formation, Mr. S. A. Storey, has in consequence of the ruling given by the M.S.F.A., resigned, and at its last meeting Mr. Sam Howard was elected to the position.

Sam hails from Newcastle, and has done good work in that area where he especially championed the cause of the juniors. Those who have visited Newcastle with junior rep. teams, know the interests displayed by him in the games. Under his able guidance the Board will carry out its platform in its entirety.

The work of the Board is receiving the full support of the various bodies, and as our code grows, new associations will spring up in outlying districts and the work of the Junior Board will do much to bring about the great expansion which we all look for.

The Association Cup, a competition for selected representative teams, opens to-day. The second rounds are to be played on Monday. The draw is as follows—

Metropolitan v. St. George, Primrose Park 3.15

Monday:

St. George v Granville, St. George Sports Ground, 3.15.

Canterbury v Protest. Churches, Canterbury Sports Ground, 3.15.

Ryde v Metropolitan, Primrose Park, 3.15.

Ryde 9 v Roseville 1.

C Grade.

Gladesville 1 v Drummoyne 1.
Hornsby 1 v Concord 0.
West Ryde 4 v Ryde 0.

There were no surprises in the A Grade, although Gladesville did well to hold West Ryde down to a 3-all draw.

West Ryde's defeat of Ryde in the C Grade was somewhat of a shock. The Ryde boys did well until twenty minutes from time after which they fell to pieces.

Drummoyne are improving as evidenced by their draw with Gladesville.

All matches in this district will be suspended on Saturday owing to the rep. match Ryde District v Canterbury District. The following have been selected to represent the locals:—Goal, T. being new to the Soccer game, and as every match has shown that they are rapidly improving, and as we hear that they have just received an accession to their strength, we feel sure that we will hear further from them in the near future.
